ORDER:

In the letter first read above, the Director of Animal Husbandry has reported that Government have released Rs.216.67 lakhs during the year 2009-10 under the Plan Scheme "Infrastructure Support to Field Veterinary institutions" under RIDF-XIV. With this amount, 32 Projects are taken up in 13 Districts. The works have been entrusted to Engineering Wing of Panchayat Raj Department and the works are under progress. Out of the amount of Rs.216.67 lakhs, Rs.153.16 lakhs is totally utilized. The bills related to the balance amount of Rs.63.51 lakhs is pending payment at Treasury. He has further informed that the objective of the project is to provide infrastructure support to field Veterinary institutions which are in dilapidated conditions/running in rent free/donated buildings. These buildings are not in a position to provide adequate storage for medicines, equipment, feed, fodder seed etc., besides not providing congenial working environment or the Veterinary professionals. Hence, construction of proposed new buildings become very essential. In order to meet the year-wise RIDF loan and the State Government share approved by the NABAD for the year 2008-09 and 2009-10, release of allocated amount of Rs.32.73 crores (Rs.34.89 crores – Rs.2.16 crores already released in 2009-10) is immediately required. He has also informed that for completion of Civil works of one Project, it takes minimum 6 to 7 months. Even if the Government releases the entire allocations made for the Project for the year 2008-09 (as per the Action Plan approved by NABARD), the Engineering Wing of Panchayat Raj Department is ready to take up the Project works as they have got engineering staff located in nook and corner of the State and all the Projects taken up can be completed within a period of 6 to 7 months. This will enable the Animal Husbandry Department to make non-starter Projects into starter projects and makes the Department eligible to send reimbursement proposals and also fulfills the promise made by the Public Representatives regarding construction of new Hospital buildings in their areas.

2. In the above circumstances, the Director of Animal Husbandry has requested the Government to release the allocated amount of Rs.32.73 crores over and above the Budget provision in relaxation of Treasury Control orders and issue B.R.O, and administrative sanction immediately for completion of the project.

3. After careful consideration of the matter and in pursuance of the Budget Release Order issued in the G.O. second read above, the Director of Animal Husbandry is hereby authorized to release an L.O.C. of Rs.500.00 lakhs (Rs. five crore only) under Plan Schemes of RIDF, in relaxation of Treasury Control Orders, pending adjustment in final surrenders 2009-10, under the following scheme:
